

Upcoming VA Software Assurance Working Group Meetings

The purpose of this announcement is to provide a schedule of upcoming meetings for the newly-created [VA Software Assurance Working Group](#). This working group is charged with identifying and prioritizing VA applications according to the [VA Common Application Enumeration \(CAE\)](#), and also supporting ongoing application security testing activities at VA.

Although VA SwA Program Office leads the SwA WG initiative, there remains staff with significant technical resources distributed throughout VA with advanced technical knowledge and particular expertise in specific local and operational domains. This working group is chartered to bring together such technical experts and VA Software Assurance Program Office resources.

Below is the meeting schedule. All meetings are virtual. Registration using a VA email address is required in order to attend meetings. Meeting agendas will be sent to in advance of each meeting. Instructions how to register can be found [here](#). Benefits of registration additionally include receiving weekly updates on working group activities.
