

# CAE-48: Veterans Health Administration Application

This page has been made public for vendors

## Abstract

The VA application is being developed and maintained by the Veterans Health Administration.

## Explanation

The four statutory missions of VHA are: 1) to develop, maintain, and operate a national health care delivery system for eligible Veterans; 2) to administer a program of education and training for health care personnel; 3) to conduct health care research; and 4) provide contingency support for DoD and Department of Health and Human Services (HHS) during times of war or national emergency.
