

CAE-436: Analytics and Business Intelligence (ABI)/10P2B

This page has been made public for vendors

Abstract

The VA application is being developed and maintained by the Analytics and Business Intelligence (ABI)/10P2B.

Explanation

Provides timely and reliable analytic and business intelligence data and products to support and improve clinical and operational programs at all levels of the VHA health care delivery system. ABI's sophisticated analytic and business intelligence solutions facilitate evidence-based decisions for Veterans and their families, patient populations, clinicians and those managing health care delivery systems.
