

CAE-210: Office of Research and Development (10P9)

This page has been made public for vendors

Abstract

The VA application is being developed and maintained by the Office of Research and Development (10P9).

Explanation

The VHA Office of Research and Development (ORD) advances knowledge to improve each Veteran's health and well-being through preclinical, clinical and health services, and rehabilitative research. ORD aspires to discover knowledge, develop VA researchers and health care leaders, and create innovations that advance health care for our Veterans and the Nation. ORD improves the lives of Veterans through health care discovery and innovation.
