

# CAE-411: Office of Connected Care (10P8)

This page has been made public for vendors

## Abstract

The VA application is being developed and maintained by the Office of Connected Care (10P8).

## Explanation

Collaborates with partners throughout VA to leverage technology and innovation to transform care delivery; offers unified, integrated and personalized virtual services that connect Veterans with a state-of-the-art system of care. The OCC also includes MyHealtheVet and TeleHealth alongside the Web/Mobile program.
