

# CAE-587: Office of Public Health (10P3)

This page has been made public for vendors

## Abstract

The VA application is being developed and maintained by the Office of Public Health (10P3).

## Explanation

The Office of Public Health serves as the leader and authority in public health, a core element essential to VA's ability to fulfill its mission to serve and honor the men and women who are America's Veterans. Within VA, public health is the science and practice of promoting health and preventing disease among Veteran and VA staff populations.
