

CAE-773: Office of Management

This page has been made public for vendors

Abstract

The VA application is being developed and maintained by the Office of Management.

Explanation

The Office of Management (OM) enables VA to provide a full range of benefits and services to our Nation's Veterans by providing strategic and operational leadership in budget, financial management, performance management, risk management, and asset enterprise management. It also promotes public confidence in the Department through stewardship and oversight of business activities that are consistent with national policy, law, and regulation.
