

CAE-500: Financial Services Center (104/00)

This page has been made public for vendors

Abstract

The VA application is being developed and maintained by the Financial Services Center.

Explanation

The FSC operates as an Enterprise Center of the VA Franchise Fund and provides an array of financial management and professional and administrative services on a fee-for-service basis (i.e., receives no Federally appropriated funds) to VA and other Governmental agencies.
