

How to open an NSD ticket to request a V&V secure code review validation

This page has been made public for vendors

Question

How do I open an NSD ticket to request a V&V secure code review validation?

Answer

First fill out the code review validation request form [HERE](#). Then submit the request form [HERE](#)

Additional notes:

- Fortify .fpr scan file(s) and zip(s) of scanned code should be uploaded to the directory that was created as a result of the application registration process before making this request
- See also [How to submit a code review that uses custom rules](#)
