

Announcing Secure Coding Training Schedule & Registration

MESSAGE FROM THE OIS SOFTWARE ASSURANCE PROGRAM OFFICE

The VA Office of Information Security (OIS) **Software Assurance (SwA) Program Office** is pleased to announce the availability of Secure Code Development & Integration training for VA Application Developers, including contractors. The training will use the HP Fortify Static Code Analyzer (SCA) tool. The Fortify SCA tool supports C/C++, .NET languages, Java, Objective-C, and other programming languages, with the exception of MUMPS.

VA application developers are required by VA OIS Certification Program Office (CPO) to scan their own source code both during development and the Assessment and Authorization (A&A) process. These courses will assist developers to meet VA's requirements, policies and **OIS Secure Code Review Standard Operating Procedures (SOP)**.

The following training schedule has been established, all classes are virtual:

6/16 - 6/18 (9:00 am – 4:30 pm EST)

6/23 - 6/25 (10:00 am – 5:30 pm EST)

6/30 - 7/2 (11:00 am – 6:30 pm EST)

7/7 - 7/9 (9:00 am – 4:30 pm EST)

7/14 - 7/16 (10:00 am – 5:30 pm EST)

7/21 - 7/23 (11:00 am – 6:30 pm EST)

7/23 - 7/25 (9:00 am – 4:30 pm EST)

7/28 - 7/30 (10:00 am – 5:30 pm EST)

8/6 - 8/8 (11:00 am – 6:30 pm EST)

8/11 - 8/13 (9:00 am – 4:30 pm EST)

Registration is required in order to attend one of the above training sessions. You will need to select one of the above sessions to attend. If you are registering a group, you will need to sign up each group member on their behalf. In order to register to attend training, please follow the instructions in the "VA Secure Coding Class Registration Form" which can be downloaded from the VA SwA Support Site - Public Document Library at:

VA SwA Support Site: <https://wiki.mobilehealth.va.gov/display/OISSWA>

To download the form, click on "Public Document Library" in the sidebar on the left, then on the link for the "VA Secure Coding Class Registration Form".

The number of available seats for each training session is limited. Registration is first-come, first-serve.

Please feel free to forward this email to VA Application Developers, including contractors, as might be appropriate.
