

Fortify SAID and license issues have been resolved

MESSAGE FROM THE OIS SOFTWARE ASSURANCE PROGRAM OFFICE

The purpose of this announcement is to communicate to VA developers and contractors that Fortify SAID and license issues have been resolved.

Distribution of Fortify to VA developers and contractors has resumed.

For information about requesting Fortify software, please see the FAQ [here](#).

For information about performing an upgrade and replacing licenses, please see the tech note [here](#).

If you had previously been provisioned a license but did not receive a replacement license and SAID, please email OISSwASupportGroup@va.gov
