

CAE-512: OFFICE OF FINANCE (047)

This page has been made public for vendors

Abstract

The VA application is being developed and maintained by the Office of Finance (OF).

Explanation

The Office of Finance (OF) maintains stewardship of Departmental resources; establishes Departmental financial policies, prepares financial reports, and information on VA's appropriations and funds (general, revolving, special, and deposit) for cost and obligation accounting; and oversees the management of VA's Franchise Fund, travel and purchase card programs, and the performance and effectiveness of trusts established under VA's enhanced-use leasing program.
