

V&V / IV&V Review Request Form Posted

MESSAGE FROM THE OIS SOFTWARE ASSURANCE PROGRAM OFFICE

The VA Office of Information Security (OIS) Software Assurance (SwA) Program Office has posted the new consolidated V&V Secure Code Review / IV&V High-Risk & High-Priority Application Review Request Form online. The request form is necessary in order to request a V&V validation or to request an IV&V review, depending on direction from the Certification Program Office (CPO) or the Network Security Operations Center (NSOC). Requests for the form can alternately be made through through the VA National Service Desk (NSD) at (855) NSD-HELP. Form submissions should always be made through the NSD.

To download the form, click on "**Public Document Library**" in the sidebar on the left, then on the link for the "**VA Software Assurance Request Form**"
