

VA Contractor Fortify Usage Agreement Posted

MESSAGE FROM THE OIS SOFTWARE ASSURANCE PROGRAM OFFICE

The VA Office of Information Security (OIS) Software Assurance (SwA) Program Office has posted the VA Contractor Fortify Usage Agreement online. The agreement is necessary for contractors to obtain HP Fortify Static Code Analyzer (SCA) software in order to scan VA application source code to perform Static Application Security Testing (SAST). Requests for HP Fortify SCA software by VA application developers, including contractors, should be made through the VA National Service Desk (NSD) at (855) NSD-HELP.

To download the form, click on **"Public Document Library"** in the sidebar on the left, then on the link for the **"[SLA_VA Contractor Fortify Agreement](#)"**
