

Announcing Fortify Tool Training Schedule & Registration

MESSAGE FROM THE OIS SOFTWARE ASSURANCE PROGRAM OFFICE

The VA Office of Information Security (OIS) Software Assurance (SwA) Program Office is pleased to announce the availability of Static Application Security Testing (SAST) Tool training for VA Application Developers, including contractors. The training will be on using the HP Fortify Static Code Analyzer (SCA) tool. The following training schedule has been established:

Virtual 4/28 – 4/29

Virtual 4/30 – 5/1

Virtual 5/5 – 5/6

Virtual 5/7 – 5/8

Virtual 5/12 – 5/13

Virtual 5/14 – 5/15

Virtual 6/9 – 6/10

Washington, DC 7/7 – 7/8

Denver, CO 7/9 – 7/10

Registration is required in order to attend one of the above training sessions. You will need to select one of the above sessions to attend. If you are registering a group, you will need to sign up each group member on their behalf. In order to register to attend training, please follow the instructions in the “VA Fortify Class Registration Form” which can be downloaded from the VA SwA Support Site - Public Document Library at:

VA SwA Support Site: <https://wiki.mobilehealth.va.gov/display/OISSWA>

To download the form, click on “**Public Document Library**” in the sidebar on the left, then on the link for the “**VA Fortify Class Registration Form**”.

The number of available seats for each training session is limited. Registration is first-come, first-serve. Training session standard class hours:

9:00 am – 4:30 pm EST for the first day, and

9:00 am – 3:30pm EST for the second day.

Please feel free to forward this email to VA Application Developers, including contractors, as might be appropriate.
