

# How to open an NSD ticket to request a V&V secure design review validation

This page has been made public for vendors

## Question

How do I open an NSD ticket to request a V&V secure design review validation?

## Answer

First fill out the design review validation request form [HERE](#). Then submit the request form [HERE](#)

Additional notes:

- Microsoft Threat Modeling file(s) and supporting documents should be uploaded to the directory that was created as a result of the application registration process before making this request
